Lettering & Graphics w/ Laminate..... $9.00 per Square Foot A

Set-up charge of $20/A per order. Add 20% for UV Laminate for decals.
Minimum amount of $20/A per order.

Measuring Tips

It is important to measure the exact size of your Lettering & Graphics so that pricing is accurate. Measure the overall size of your lettering & graphics, do not include any extra space around the art. Include hanging letters such as p, j, q, and y. Please see the example below.

Application Fluids

Rapid Tac products make it easy to install vinyl lettering by allowing the user to "float" the vinyl into place. Use Rapid Prep to clean and prepare surface. Apply vinyl with Rapid Tac, then clean and polish vinyl with Rapid Clear. These products help to provide a professional job every time.

Rapid Tac Application Fluid

4 oz. Spray Bottle ..... $6.00 E
32 oz. Spray Bottle ..... $15.00 E

Rapid Prep

4 oz. Spray Bottle ..... $6.00 E

Rapid Clear

4 oz. Spray Bottle ..... $6.00 E

Repositionable Wall Graphics

Repositionable wall graphics make great temporary wall decorations and displays. Repositionable wall graphics leave no residue and can be completely removed and replaced. We can convert any artwork or high resolution image (4 mega pixel +) into a wall graphic, given that the artwork or image is one solid piece.

Repositionable Wall Graphic..... $8.00 per Square Foot A

Set-up charge of $20/A per order.

Wall Mural

Add a unique extra dimension to interior or exterior walls with a wall mural! We offer several material options for installation including exterior or textured walls, and two wall paper types for standard interior decoration. Our PVC Free Durable Smooth Wall Paper requires normal wall paper installation materials and techniques. We also offer a new PVC Free Wall Paper that requires water only to install. Wall graphics are another great option for temporary wall murals, with easy repositionability and clean removal. Wall Murals require high resolution art.

See page 19 for pricing for Durable Smooth and PVC Free Wall Paper

Wall Vinyl for Exterior/Textured Walls..... $11.00 per Square Foot A

Set-up charge of $20/A per order.

Large Format Digital Decals

Large format digital decals are offered up to 52" without seams, and nearly any size with seams. Suitable for indoor or outdoor use, back adhesive only. Removable vinyl and UV laminate is available.

Decal..... $7.00 per Square Foot A
Decal with UV Laminate..... $8.00 per Square Foot A

Set-up charge of $20/A per order. Minimum order quantity of 2 total square feet or minimum amount of $20/A.

Floor & Carpet Graphics

Vinyl floor graphics are a great way to turn floor space into valuable advertising. Floor graphic vinyl is removable and will stick to most popular indoor flooring. Graphics come standard with a protective anti-slip, anti-skid laminate.

Floor Graphic With Laminate..... $8.00 per Square Foot A
Carpet Graphic With Laminate..... $8.00 per Square Foot A

Set-up charge of $20/A per order. Quantity discounts available, call for details.

Perforated Window Film

Put a full color graphic on any window with our perforated window film. This material has many tiny holes which allow you to see through it from the inside of a vehicle or storefront, which makes it a great choice for point of purchase displays. The graphic prints on the outside and is coated with an optically clear UV laminate.

Perforated Window Film..... $8.00 per Square Foot A

Set-up charge of $20/A per order.

Full Color Vinyl Banners

Make a lasting impression with a full color digital vinyl banner! Our most popular material for banners, vinyl banners are printed digitally in photographic quality on heavy-duty 13oz. gloss vinyl material. Banners come standard with finished edges, 3/8" grommets, and rope. Standard grommet placement is every 2'-3', for banners over 20' long it is recommended to add webbing to seams. approximate PMS matches available.

Full Color Vinyl Banners ..... $3.00 Per Square Foot A

Set-up charge of $20/A per order. Quantity pricing and custom sizes available, call for quote. Please allow 1" around the edge of artwork for seam.

Polyester Fabric

Polyester fabric material is a lightweight material that is similar to nylon, which offers a glossy, bright print that is suitable for indoor and outdoor use. Polyester fabric material will work with most backlit applications. See page 19 for Eco Solution version of this banner!

Polyester Fabric Banners..... $6.20 Per Square Foot A

Set-up charge of $20/A per order. Custom sizes available, call for quote. Please allow 1" around the edge of artwork for seam.

Polyester Canvas

Canvas polyester material is a 100% polyester material that is made to have a canvas-like look and feel. It is a tear resistant, water repellent and dirt repellent material that is ideal for indoor graphics, trade show graphics and banners.

Polyester Canvas Banners..... $6.00 Per Square Foot A

Set-up charge of $20/A per order. Custom sizes available, call for quote. Please allow 1" around the edge of artwork for seam.

Break Away Banners

Break Away Banners pull apart in the center to allow players to run through, which makes them great for sporting events. Sides stay together with hook and loop that is sewn in, which makes the banner reusable. Banner comes standard with side pole pockets to accommodate up to a 2" diameter pole.

Break Away Banners..... $6.50 Per Square Foot A

Set-up charge of $20/A per order. Custom sizes available, call for quote.

Banner Stands & Graphics

Create visual impact with a self-contained, incredibly portable, retractable banner stand. Digitally printed graphics are protected inside an aluminum casing and roll up for viewing and down when not in use. We offer several styles to suit both your needs and your budget. Digital graphics are printed on 10-mil block out, anti-curl vinyl material. Prices include stand, full color digital graphic and carry bag. Stand arrives assembled and ready to use. X-Stands are portable and lightweight, and are available in two sizes. Digital graphics are printed on 13 oz. vinyl, and can be interchanged easily. Tabletop retractable stands and x-stands available on page 18.

A.

B.

NEW for 2017!

Eco Solutions

Now offering an array of options to help reduce impact on the environment. Here you will find substrates that are recyclable, PVC Free, and printed with HP Latex Technology.

HP Latex Technology

HP Latex Technology carries a broad set of credentials addressing the full spectrum of environmental concerns; from ink chemistry and indoor air quality—for both print production and display—to lifecycle considerations, earning recognition for products as environmentally preferred overall.

PVC Free High Performance Vinyl

This product contains no added chlorine or halogens and is made in part from bio-based materials while also manufactured using 60% less solvent. This high performance vinyl can be used for vehicle wraps, textured walls surfaces, general outdoor signage or any general vinyl adhesive needs with the environment in mind. 54" Roll size, 3M Envision LX480CV3.

PVC Free Vinyl .....$8.00 Per Square Foot A

PVC Free Vinyl W/ Laminate.....$9.00 Per Square Foot A

PVC Free Wall Paper

PVC-free material with an ultra-smooth finish producing excellent color and high definition detail. This easy to use solution goes up and comes down with water instead of common wallpaper installation techniques. This sustainable and odorless product has a 20-year indoor rating (not in direct sunlight), making it perfect for interior decorations. 54" Roll Size.

PVC Free Wall Paper .....$8.00 Per Square Foot A

PVC Free Durable Smooth Wall Paper

This PVC-free material offers a durable, colorful and creative interior decoration. This product also offers a scrub and scratch resistance performance with up to 20-year durability. This sustainable and odorless print goes up and comes down easily, with common adhesive (not included) and installation techniques. 54" Roll Size.

PVC Free DS Wall Paper .....$10.00 Per Square Foot A

Backlit Polyester Film

This film prints with a sharp vibrant color that attracts attention. Specially engineered to achieve superb ink adhesion producing high impact backlit signs. We do not provide backlit equipment (print only). Sizes available up to 59" wide non-paneled.

Backlit Polyester Film.....$10.00 Per Square Foot A

Premium Poster Paper

This product is FSC certified and recyclable through several programs. Our poster is printed on 9 mil single sided poster paper. This product is printed with our latex technology, producing a vivid and crisp print, which also offers scratch resistance to eliminate laminate. Suggested uses are tradeshow and event displays, photo-realistic posters, and décor. 60" Roll Size.

Use non-laminate pricing on page 5.

Polyester Fabric

Polyester fabric is a lightweight material perfect for high impact displays and banners for events or retail POP. Economically priced, this fabric produces vibrant prints that resist creases and wrinkles. Suitable for both indoor and outdoor. An alternative for recycling versus traditional banners and display materials. Use with banner tabs and seam tape for full recyclability. 60" Roll Size.

For Pricing, see page 13.

Eco Friendly Banners

This compelling alternative to PVC scrim banner offers great image quality, durability and tear strength of standard 13oz vinyl. For full recyclability use with banner tabs. 60" Roll Size Maximum.

Eco Friendly Banners .....$6.00 Per Square Foot A

Set-up charge of $20/A per order. Quantity pricing and custom sizes available, call for quote. Please allow 1" around the edge of artwork for seam.

Some papers can be recycled through commonly available recycling programs. Please visit HP Large-Format Media Recycling for free recycling options. hp.com/recycle.
